WAKEFIELD PUBLIC LIBRARY

To the Selectmen of the Town of Wakefield,
Sanbornville, N. H.

Dear Sirs: —

Following is my report ending Jan. 1, 1948.

The annual meeting of the Board of Trustees was held at the home of Miss Elsie M. Blake, President Emeritus. Members present were Mrs. Susan Grier, Mrs. Nancy Paul, Mrs. Ethel Mackenzie, Miss Elizabeth Spencer, Mrs. Ruth Tuttle. Plans were discussed to raise money. Through the kindness of Mrs. Nancy Paul, Miss Margaret Paul, and Mrs. Jean Neily a card party was held in the library. With proceeds we bought Ben Ames Williams' latest novel "House Divided." Other new books added through the year are: —

"Inside U. S. A." by John Gunther

"The Garretson Chronicle" by Gerald W. Brace

"Beckoning Trails" by Emilie Loring

"Prince of Foxes" by Shellaburger

"Head Winds" by Sarah Ware Bassett

"The Moneyman" by Thomas B. Costain

"Kingsblood Royal" by Sinclair Lewis

"Joseph the Provider" by Thomas Mann

"The Miracle of the Bells" by Russell Janey

"The Lincoln Reader" by Paul M. Angle

"Field Guide to the Birds" by Peterson

"Valley of Wild Horses" by Zane Grey

"Mary Hallam" by Susan Erty

"The Great White Hills of New Hampshire" by Ernest Poole.

Other novels and mystery stories making a total of forty-five bought and ten given us.

Mrs. H. P. Sawyer, Mrs. Grace Tibbetts, Mrs. Frances Palmer, Miss Elizabeth Spencer, Miss Joan V.

Pike, Mrs. Susan Grier, Mrs. Alfred Carey, Dr. Louise Paul, Mr. John Roberts, Mr. Carlton Spencer were very generous to the library and I thank them and all other library friends for their kindnesses.

The American, Atlantic, Hobbies, Harpers, Good Housekeeping, Ladies' Home Journal, Saturday Evening Post, Time, Pathfinder, Colliers, Better Homes and Gardens, New Hampshire Troubadour, Yankee, National Parks Magazine, are on the reading table.

Circulation of fiction books were	2382

It is with a very deep sense of loss that I report the death of Miss Elsie M. Blake, our President Emeritus. She was elected a member of the association in 1908. In 1917 she was elected one of the auditors. In 1929 she was elected President. In 1934 she was also elected Treasurer. In 1945 she resigned as President and was elected President Emeritus.

Through all these years she had served with distinction and high competence not only in the foregoing offices but also as chairman of book purchase committee. She has given generously of her time, experience and common sense to the general management of the Library's affairs. As Treasurer she has handled the funds of the library with skill and as chairman of the committee for the purchase of books she has shown excellent judgement in meeting the interests of the library clientele.

In December a special meeting of the Board was held and Mrs. Marietta B. Haskell was elected treasurer.

Respectfully submitted
RUTH E. TUTTLE
Librarian

FOREST FIRE PROBLEM SERIOUS

The year 1947 was one of the worst periods of drouth and forest fire occurrence in eastern United States history. Lack of water ruined crops, lowered water levels and dried up brooks everywhere. Three months of deficient rainfall and abnormally high temperatures resulted in many fires which were mostly well controlled and kept within bounds. Only the high winds beginning on October 23rd caused a few fires to escape beyond immediate control. These few fires resulted in burning some 15,000 acres and the loss of 63 or more buildings in four New Hampshire towns.

All October fires were costly. They burned deeply in the ground and required day and night patrol of large crews of men until the rains came late in October. Towns which escaped from serious fires might easily have been in the midst of the most serious conflagrations we had.

Governor Dale closed the woods effective at midnight of October 15th. With the blow-up of October 23rd, a second proclamation closed all back roads and authorized towns to inaugurate patrol. The effect of this was to cut down subsequent fires for the rest of the dry period.

Local fire warden forces performed an admirable job to hold the more than 200 fires that occurred during this October period. Many men were taxed to the utmost as the emergency continued. To them and all those who did their work, the people of New Hampshire owe a debt of gratitude. The state forest fire control agency based on local town wardens and town crews wherever adequately equipped rose to the occasion and met the test in whatever town their services were needed.

It is now time to take stock everywhere of our fire fighting facilities for the season ahead and to make them adequate where necessary. To this end town

fire plans and training programs for wardens, deputies and other key men in each district are being arranged or in progress. If equipment and tools are insufficient properly to equip the available manpower in each community with the right tools for the job, they should be provided for at once. The yearly addition of fire tools to the town supply will generally need to be built up. The state sells tools to the towns and shares one-half their cost. Good equipment is important and can help greatly to keep both damage and fire costs at a minimum.

For many years we have requested our wardens not to issue burning permits except on rainy days. This regulation will be effect again this year as it is one of the best means of assuring such fires from getting out of control. Nine out of every ten fires can be prevented, 98 percent of all fires being due to human carelessness. Be sure to get a permit for any fire in or near woodland when the ground is free from snow. Be sure your fires are always out before you leave them. Help us in getting the traveling public to keep from throwing out lighted matches or cigarettes. Be careful of all fires in or near woodland.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Wakefield:

The school year ending June 30, 1947 was historic in New Hampshire education. During this year twelve Lay-Professional Councils of thirty-six members each on a state wide basis, were formed for the purpose of studying New Hampshire schools and advising on their program. These 432 members and hundreds of guests studied the purposes and curriculum of elementary, secondary, adult, higher, and vocational education in the state; policies on cooperation among school districts; financial policies; and the responsibility of local, state and federal agencies for the welfare of the educational system of our state. The conclusions of the twelve committees were coordinated in a single report and published by the State Board of Education. This report is an outstanding contribution to the field of education and should be read by every citizen.

One of the most important outcomes of this work was the stimulus to greater cooperation between citizens, parents and members of the profession. Our schools would benefit greatly by similar projects on a local scale. This is being done in two districts through recently formed Parent - Teacher Associations.

Of primary importance was an act by the Legislature whereby state aid was increased to \$2,000,000.00. Most of our towns benefitted materially by this, with a consequent relief of real estate taxation.

But the problems of our schools never cease. A marked increase in school population in most towns, increases in cost in all departments, and the scarcity of qualified teachers raise important questions that demand the serious consideration of every citizen. In your schools today are your future selectmen, repre-

sentatives, school board members, doctors, lawyers, teachers, and merchants. They must be adequately trained to discharge the responsibilities on the local, state and national level that you now bear.

Teachers in the Wakefield schools were as follows:

Sanbornville Primary — Miss Abbie F. Tuttle, grades 1 and 2; Miss Flora P. Brackett, grades 3 and 4; Sanbornville Grammar — Mrs. Lillian Banfill, grades 5 and 6, Principal Walter E. Brasier, grades 7 and 8. Union Primary — Mrs. Florence Gerrish, grades 1 to 4; Union Grammar, Mrs. Helen Abbott, grades 5 to 8. Mrs. Banfill resigned at mid-April and was replaced by Mrs. Mabel Stevens of Portland, Maine. Wakefield is fortunate in having a good teaching staff. Good teaching is provided in all class rooms. Evidence of this is provided by the successful work of large numbers of our graduates in high school. During the year reported there were 31 Wakefield pupils in Spaulding High School, 12 at Nute High School, and one each at Brewster and Conway. As of September of the current year there were 51 from Wakefield registered at the above schools.

Very few end their education with the eighth grade, but recent records show that approximately 20% of those who have been graduated from the eighth grade do not complete the high school course. It is possible that were transportation provided high school pupils this per cent would be lessened to a large degree. This is a matter that warrants serious consideration.

The cordial and friendly cooperation of members of the School Board, teachers, parents, citizens and pupils makes my work in Wakefield a pleasure.
January 20, 1948.

Respectfully submitted,
EVERETT H. BRASIER
Superintendent of Schools.
